

PROOF THE ANCIENT ORDER MURDERED BRUCE LEE

● The ANCIENT ORDER murdered martial arts master BRUCE LEE. The ANCIENT ORDER also set up JAPAN for the Atomic bombs of 1945. They placed a prevision of Lee's death and the Atomic bombings in the Bruce Lee film "THE CHINESE CONNECTION".

● THE CHINESE CONNECTION begins by showing the sky. The sky is filled with dark clouds and then there is thunder and rain. The voice-over: "Our story begin with the death of [a martial arts champion and teacher]." Then Bruce Lee is shown running in the rain to the funeral of the champion teacher. He is mourning his teacher's death.

● The above is sky and cloud to represent the nuclear mushroom cloud; rain to represent nuclear fallout; death, suffering and man covered in rain (nuclear fallout), and mourning. These scenes are a re-creating of the Atom-bombs dropped on ASIA.

● 10 minutes into THE CHINESE CONNECTION a man enters the Chinese school with a present from the Japanese. The Chinese unwrap it. It is a banner in a frame (that's framed as in framed or set up). The Chinese look at the banner and one reads: "SICK MAN OF ASIA." What's it mean?"

● It is an insult, the Japanese calling the Chinese the sick men of Asia. 5 minutes later, Bruce Lee appears at the Japanese school. He returns their framed SICK MAN OF ASIA banner to them to insult them back.

● The ANCIENT ORDER refer to the Asian being sick; sick from nuclear radiation. They have the Japanese and Chinese calling each other the 'sick men of Asia' to slickly work the insult and taunt into the movie's plot.

● 6 minutes into THE CHINESE CONNECTION, the ANCIENT ORDER have Bruce Lee foretell his own death as a prevision they can show others later.

Lee: "Will you tell me what teacher died of?"

Friend #1: "It was pneumonia. That's what the report said."

Lee: "And you really think that's true?" (then shouting): "I don't believe it! Now tell me how he really died!"

Friend #2: "Look we wouldn't lie to you. That's what the doctor told us."

Lee: "I see! And you believe what you were told?! He was well! There was nothing wrong! How could a healthy man die?!"

● When Bruce Lee died he was working on the movie GAME OF DEATH, (another ANCIENT ORDER prevision). Notice the promo above: "This film was unfinished when Lee died..." The initials of GAME OF DEATH are "GOD".

● BRANDON LEE was Bruce Lee's son. He died of an accident on the set of the film THE CROW. Notice the promo at right: "...Brandon Lee (in his final film)..." In this movie he plays a man who is killed and comes back to take revenge on the murderers of him and his fiancée.

● Bruce Lee foretells his own death in THE CHINESE CONNECTION. He dies while working on GAME OF DEATH: "GOD". His son, Brandon Lee, is killed on the movie set of THE CROW, the film where he was playing a dead man.
